**COME SAIL WITH
THE CLASSICS!**

All Keel Boats Welcome!

The Chester Classics Regatta now welcomes all keel boats to join the 100+ year olds and younger classics in three "pursuit style" races from Friday August 10th through Sunday August 12th just before Chester Race Week.

Get up close to the classics and cheer on the crews who preserve & sail them!

Boats will all be assigned a unique starting time, for a low key easy start. The fleet will collapse and finish close together in the "classic" parade of sails coming home into Chester Harbor for shoreside viewers to enjoy.

- Use this as a Race Week "tune up" for your crew or one design fleet.
- Use this for a fun race to include family, amateurs, & new sailors of all ages.
- Sail one, two, or three of the races - it's about fun and participation.
- Come out to cheer on the boats coming in together to the finish.
- Charity event: All registration fees will be donated to Autism Nova Scotia
